

# Resident Life

Robynwood offers a diverse menu with alternatives for special diets. A dietician works with your physician and our staff to address your individual needs and concerns. Meals are individually served to our residents in our dining room, with assistance as needed. Residents enjoy a special request meal for their birthday ! Theme parties and family get-together's are planned throughout the

We offer a wide variety of planned activities throughout each month. Activities are planned to meet the social, physical, mental, and spiritual needs of our residents. The residents committee called the resident council meets monthly to assist in planning activities. Daily exercise, theme weeks, games, entertainment, bible study, and support with leisure time pursuits are just a sample of our busy days.
